

Environmental Management Policy

Arkan Graphics for Printing and Advertising is dedicated to operating in an environmentally responsible manner. We recognize the critical importance of environmental sustainability and pledge to integrate best practices into all facets of our operations. This Environmental Management Policy outlines our commitment to environmental stewardship and sets forth our guiding principles:

- 1. Compliance:** We adhere to all applicable environmental laws, regulations, and standards. We continually monitor regulatory developments to ensure ongoing compliance and promptly implement necessary measures.
- 2. Resource Efficiency:** We strive to minimize resource consumption and reduce waste generation throughout our operations. This includes optimizing energy use, water consumption, and materials efficiency through technological advancements and operational improvements.
- 3. Pollution Prevention:** We prioritize pollution prevention by implementing practices and technologies that minimize emissions, waste, and the use of hazardous substances. Our goal is to mitigate our environmental footprint and protect natural resources.
- 4. Sustainable Products and Practices:** We promote the use of environmentally sustainable materials and practices within our supply chain and operations. This includes sourcing eco-friendly materials, reducing packaging waste, and encouraging sustainable printing techniques.
- 5. Continuous Improvement:** We set measurable objectives and targets to continually improve our environmental performance. Through regular assessments and reviews, we identify opportunities for innovation and enhancement in our environmental management practices.
- 6. Employee Engagement:** We empower our employees to contribute to our environmental objectives through education, training, and awareness programs. We encourage responsible environmental behaviour both at work and in their personal lives.
- 7. Stakeholder Engagement:** We engage with our stakeholders, including customers, suppliers, and the community, to foster transparency and collaboration in achieving our environmental goals. We value their input and actively seek feedback to improve our environmental initiatives.

8. Communication and Reporting: We communicate our environmental policies, objectives, and performance to stakeholders in a clear and transparent manner. We are committed to accountability and strive to uphold the highest standards of environmental integrity.

9. Ethical Standards: We conduct our environmental activities with integrity, honesty, and respect for environmental principles. We uphold ethical standards in all our interactions and decisions related to environmental management.

10. Review and Continual Improvement: We regularly review and update our Environmental Management Policy to ensure its relevance and effectiveness. We commit to continual improvement in our environmental performance through monitoring, evaluation, and adaptation of our practices.

This Environmental Management Policy is endorsed by senior management and is implemented by all employees and stakeholders associated with Arkan Graphics for Printing and Advertising. It serves as a cornerstone of our commitment to environmental sustainability, guiding our efforts to protect and preserve the environment for current and future generations.
